

REMIX CERUSED TABLE 56" DINING TABLE

With a style-forward look you'll love for years to come, this 56-inch round dining table redefines effortless elegance. It features a wood top finished in cerused oak supported by a distinctive base of concave curves finished in Bronze Metallic Paint. Leg inserts in Black Stained Ash add another layer of luxurious contrast to its geometric-inspired base. From morning coffee to hosting friends, this captivating table is suited for all.
