

SUITE DREAMS - QUEEN BED

It's easy to express your personal style with the timeless look of this extraordinary bed. Impressive in scale and concept, it features an 18th-century European form updated with a relevant finish in just the right shade of Mocha Walnut. Cathedral walnut veneers create a magnificent radial pattern that highlights this heritage-inspired headboard to stunning effect. An acrylic post option is also available that gives this unique bed even grander presence while front ferrules in Stainless Steel add a hint of glimmer. The foundation piece for an updated traditional bedroom retreat, this classically inspired bed is extra-special.
