

TRIPLE DRESSER

Perfect from every angle, this elegant triple dresser adds a touch of chic sophistication to any bedroom. A shapely serpentine silhouette enhances the visual appeal of its classic nine-drawer design and is highlighted with exquisite veneers in a Cendre finish trimmed in Champagne Mist. Inspired by the ornate beauty of the Rococo period, this stunning storage piece features one-of-a-kind carvings and shapely cabriole legs that give a nod to the past while delivering a refreshing contemporary interpretation. Custom-designed ring pulls with vintage cameo buttons add a finishing touch to this dresser in just the same way jewelry completes an outfit.
